Information regarding General Data Protection Regulation (EU 2016/679, GDPR):

By filing the waiver the data subject gives his/her consent to the processing of his/her personal data according to the record of processing activities of Skydive Finland (GDPR 6 art 1a paragraph: processing based on the consent of the data subject).

The Skydive Finland's record of processing activities of personal data can be seen at the dropzone and at address www.skydivefinland.fi.

The record is also available through our personnel. The record gives the data subject all information that has to be given when collecting personal data based on the consent of the data subject. By signing the waiver the data subject states that he/she has been provided with this information and gives his/her consent.

A parachutist may be required to fill a declaration of health or to present a medical certificate in order to substantiate adequate health for parachuting according to Finnish Aviation Association's Operational Instructions and Qualification Requirements for Parachutists. This personal data is processed according to the consent of the data subject (GDPR art 9 2a paragraph: processing of special categories of personal data based on the consent of the data subject). By signing the waiver and possible health statement the data subject states that he/she gives his/her consent.

Filled by instructor or rigger:

I have made sure that all of the information given above is correct and that the person in question knows the SdF procedures and his/her rig has a valid tag.	Date, signature
